EDUCATION

M.Sc. Computer Science

Saradha Gangadharan College, Puducherry

Puducherry University

KEY AREAS OF EXPERTISE

Web Development

- Design and develop fully responsive, SEO-friendly websites and web applications using modern frameworks.
- Build custom WordPress themes, plugins, and e-commerce solutions (WooCommerce).
- Implement front-end architectures using React.js and ensure cross-browser compatibility.

Software Development

- Develop scalable backend systems and RESTful APIs using Python, PHP, and Node.js.
- Design and optimise relational and NoSQL databases (MySQL, MongoDB).
- Follow SDLC best practices, version control (Git), and agile project workflows.

Digital Marketing

- Plan and execute data-driven digital marketing strategies across Google, Meta, and LinkedIn platforms.
- Conduct in-depth SEO audits, keyword research, and on-page/off-page optimisation.
- Create, monitor, and optimise PPC campaigns with measurable ROI improvements.
- Develop content strategies, social media calendars, and email marketing funnels.
- Analyse campaign performance using Google Analytics, Search Console, and Meta Insights.

Graphics Design

- Create brand identities including logos, brochures, banners, posters, and social media creatives using Adobe Photoshop and Illustrator.
- Design UI/UX wireframes and high-fidelity prototypes in Figma for web and mobile applications.
- Produce print-ready artwork for marketing collateral, packaging, and corporate stationery.
- Develop visually consistent brand guidelines and design systems for clients.

Video Editing & Motion Graphics

- Edit and produce promotional videos, reels, product demos, and corporate presentations using Adobe Premiere Pro and DaVinci Resolve.
- Create motion graphics, animated intros/outros, and kinetic typography using Adobe After Effects.
- Apply professional colour grading, audio mixing, and visual effects for cinematic quality output.
- Produce short-form social media video content optimised for YouTube, Instagram, and Facebook.

PROFESSIONAL EXPERIENCE

Digital & Software Engineer | Creative Media Specialist | Freelance / Project-Based

Puducherry, India

- Delivered end-to-end web development and digital marketing solutions for SMEs and startups.
